legitimate, cost-effective, and efficient shipping agent in China, capable of handling sensitive goods such as lithium batteries.

- * Scooter Manufacturer (China): Direct contact with the manufacturer in China.

- * Local Suppliers: Contacts with two reliable scooter suppliers in Australia (Sydney and Melbourne).

- * Repair Shops: Access to trustworthy scooter repair shops.

Business Highlights:

- * Financials: Over the last 12 months, the business has achieved sales exceeding \$200,000, The sales of last month(July 2023) was \$30k, profit \$12k

- * Operational Model: Owner-operated with no employees. The owner typically invests 10-20 hours per week, primarily focused on local delivery.

- * Low Overhead: The business operates online, eliminating the need for a physical store. A small storage space (garage-sized) is sufficient. You can use your existing space or rent storage for just \$400 per month, capable of accommodating approximately \$40,000 worth of stock.

- * Flexibility: No fixed rent fees. Only the \$400/month storage cost is incurred. If you have a larger home or garage, you can manage operations from there.

- * Customer Base: While the business primarily operates online, some customers prefer warehouse pickups or local delivery, making it an excellent fit for individuals residing in Brisbane or the Gold Coast.

- * Growth Potential: Electric scooters are gaining popularity, and this business has significant growth potential.

The only reason for selling this flourishing business is the owner's return to their home country. Don't miss out on this fantastic opportunity in the booming electric scooter industry.
