Products and services

· Retail sales of new and refurbished phones and computers, plus accessories, toys, gadgets and drones.

· Repairs for mobile phones, tablets, PCs, Macs and drones.

· IT advice and solutions for businesses, including hardware, bespoke software, automation and data backup.

· Refurbished technology and servicing that help customers access affordable devices and extend product life.

Business highlights

· Loyal, long-term customers provide an established base of repeat business.

· Purchase price lower than set up a new business cost

· Multi-award-winning business recognised in 2021, with an established local reputation.

· Operates under management, supported by a skilled team and established systems.

· Located in a popular shopping centre with strong foot traffic and a lease in place.

· Owner training and ongoing support are available to assist with the transition.

Opportunity

An existing business owner can acquire and expand their operations, while a new owner can step into an established business with an experienced team already in place. Technology or retail operators may also be able to grow the business by adding complementary products and services.

Attention investors, business migration buyers, and entrepreneurs! This business opportunity is in high demand, and it's not one to be missed.
